About the Speaker...

Dr. Cindy Charlier brings 30 years of small animal practice and ownership experience to VDENT seminars. She is a Diplomate of the American Veterinary Dental College.

Through the creation of VDENT Seminars it is her vision to teach the veterinary healthcare team about dental health and its potential impact on your patients, your clients and your practice in an interactive, fun learning environment that encourages networking, the exchange of ideas, experiences and practice tips.

She currently owns Fox Valley Veterinary Dentistry and Surgery a dental and oral surgery specialty practice with offices in Chicago and St. Charles.
